For many of us, food is a great delight – and at The Porterbrook we aim to please! One of our most fantastic features is the wealth of dining options we have available to our residents, their families and friends. With a restaurant on each floor, in-room dining available and the option to dine alfresco on our scenic balcony during the summer - you'll feel spoilt for choice!

We pride ourselves on the high standard of food we provide, which is nutritious, seasonal and home-cooked.

Our Head Chef works closely with residents to create delicious menus based on personal preferences and, naturally, we can cater for any dietary needs, too.

Private dining

In addition to our dining rooms, residents are able to book exclusive use of our Private Dining Room to enjoy with friends and family. Whether you're celebrating a special event, or simply enjoying an informal gathering, our chefs will prepare a delicious meal for you and your guests to enjoy in style.
