Travels Around The World

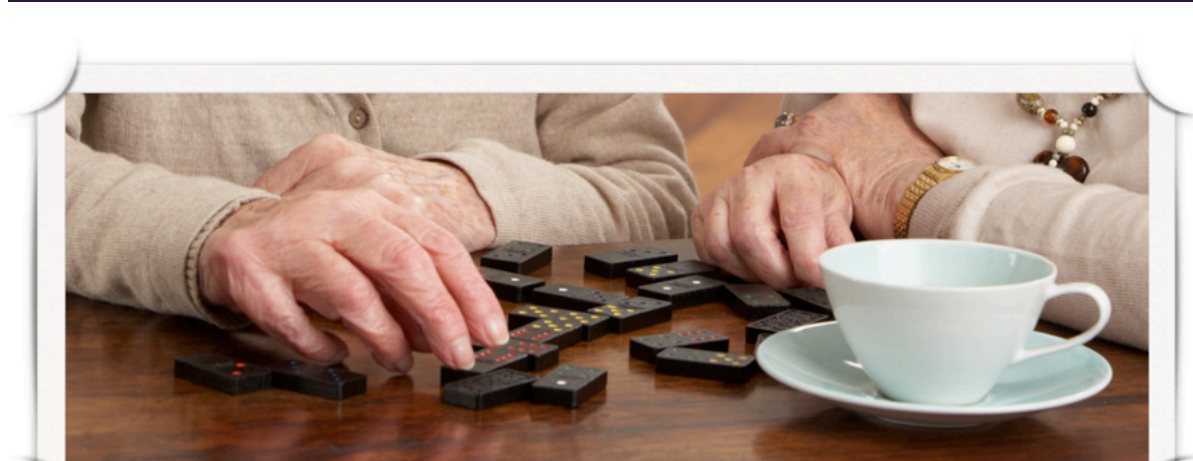

Arts & Crafts

Our art group recently had a wonderful time painting glass jars with tulips in preparation for our virtual trip to Holland. It was a beautiful sight to see the residents unleash their creativity and come up with unique designs, each jar showcasing their individual style.

National Hot Buttered Rum Day!

Cheers!

What better way to warm us up than try Hot Buttered Rum while having a serious game of dominoes in the bar. However, not everyone enjoyed the buttered rum and opted for an alternative - well done for giving it a try!

Christmas Celebrations

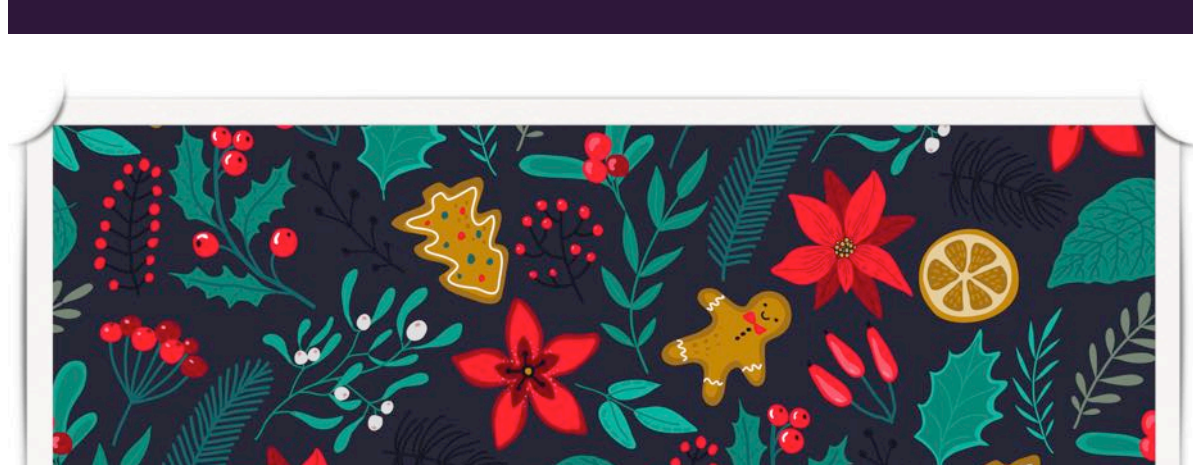

Christmas Spirit

Our Christmas celebrations were a resounding success and everyone had a great time. It was a joy to see Santa drop by and give all our residents gifts to open. The lunch was delightful and the drinks flowed freely.

We would like to thank all the staff who made this day possible. They left their families at home to care for and support our residents and we are grateful to them for their dedication and hard work.

Therapy Ponies

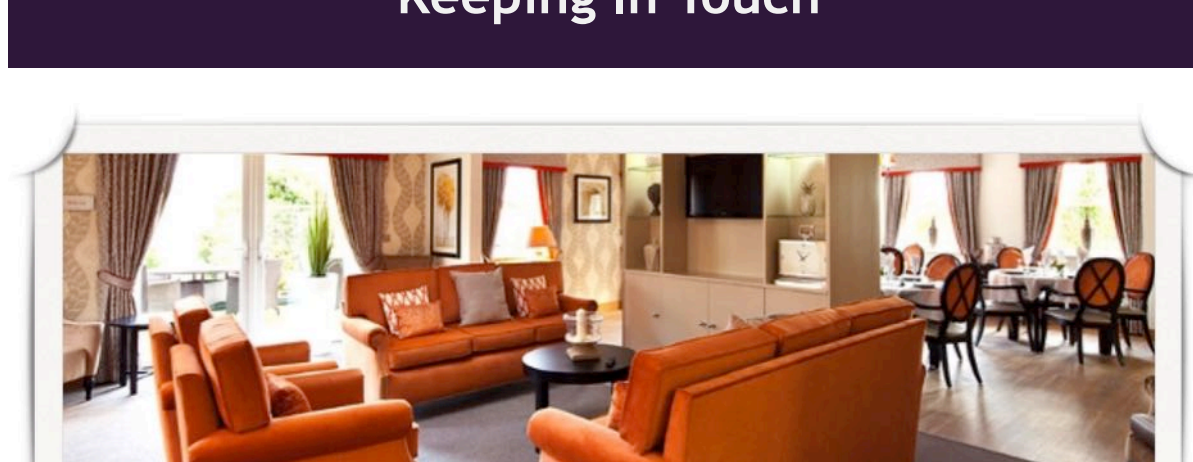

New Experiences

We recently had two special guests, Leo and Larry, the Shetland ponies from Smile Pony Therapies visit us and it was an afternoon to remember. The residents were thrilled to see the ponies and their faces lit up with joy and excitement. The ponies even visited our residents who were in their bedrooms and the reactions were priceless. The ponies brought a lot of happiness and positivity to our home, and we are grateful to Smile Pony Therapies for making it happen.
